What Are Your Options for a Professional Website?

A good website is **well organized and follow a structure**. It is **fast** to load, and its design **looks clean and professional**. It offers simple and **user-friendly navigation**. Visitors need to find the information **quickly and easily**. You can trust us at Webfolio.com to tick all the boxes.

1

HIRE A WEBDESIGNER / AGENCY

Expensive. Takes months. Hidden fees .

2

WORDPRESS, WIX, AND BLOCK-BASED SITE BUILDERS

Time consuming, requires IT skills, difficult to obtain satisfactory results.

3

FRIENDS AND FAMILLY

... Or so called “experts”. We do not recommend to take that risk.

4

ONLINE DIRECTORIES

Online directories don’t substitute to dedicated websites.

5

FACEBOOK BUSINESS PAGE

Must have, but doesn’t substitute to a real website

6

WEBFOLIO WEBSITE BUILDER

The best compromise in terms of functionalities, performance and price. Get a **5-page website** just by answering a few questions online.

+ Ultra-fast hosting: included
+ Custom sub-domain: included
+ Security updates: included
+ New functionnalities: included
+ New website templates: included
+ Edit your website yourself: included

Boost your visibilty ⚡ **Attract more clients**

1. Fill in the questionnaire to describe your services then choose your preferred website template.

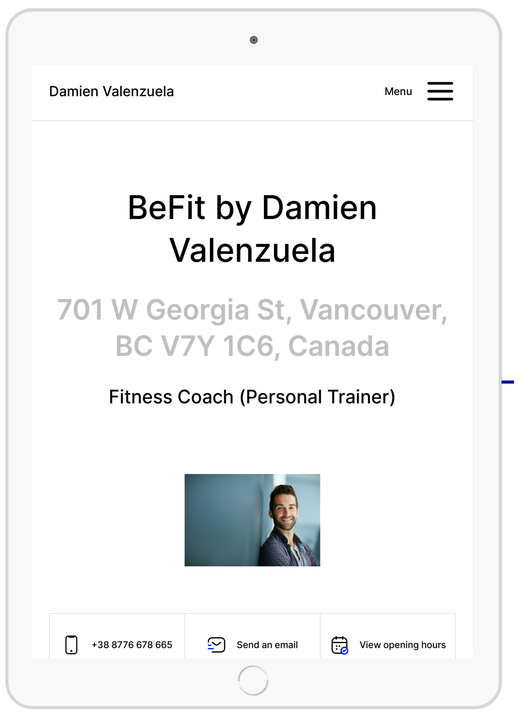

2. Enjoy your beautiful website on any smartphone, tablet or computer. Edit your information easily at any time.

First step
Online questionnaire

Webfolio’s onboarding questionnaire in the first and most important part in the process of creating your website. It is broken down into **4 sections** and the answers are used to generate your website.

The answers from the questionnaire are feeding your website

Welcome to Webfolio.com

What’s your company name?

Where are you located?

Are you on LinkedIn and Facebook?

What are your working hours?

What is/are your sector(s) of activity(ies)?

Do you want to add client testimonials to your website?

What are your specialties and domains of expertise?

Do you wan to share pictures and videos on your website?

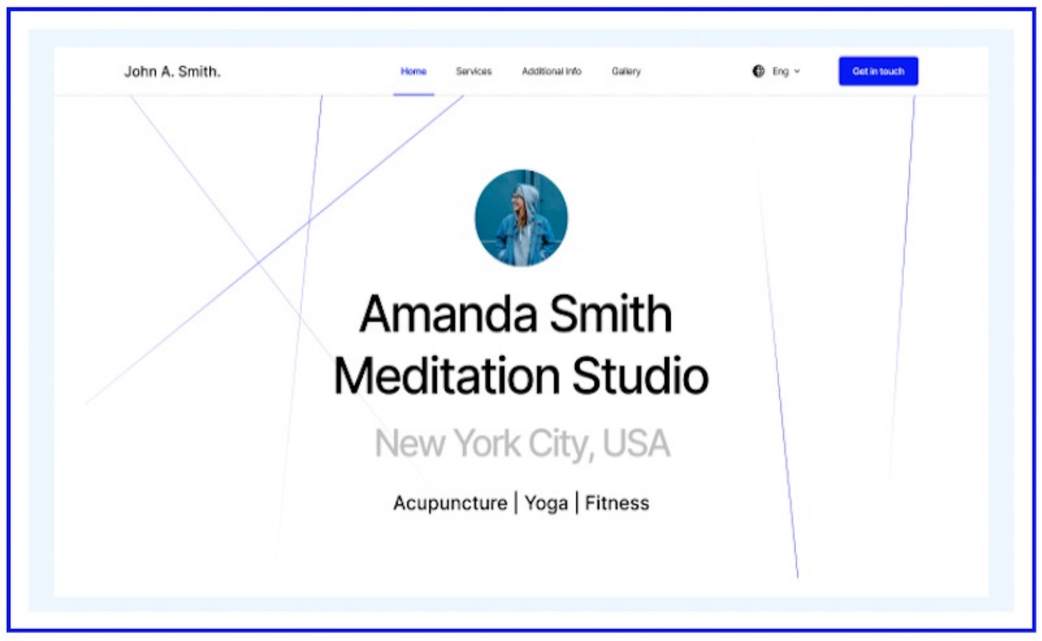

How can your visitors and clients contact you?

Etc.

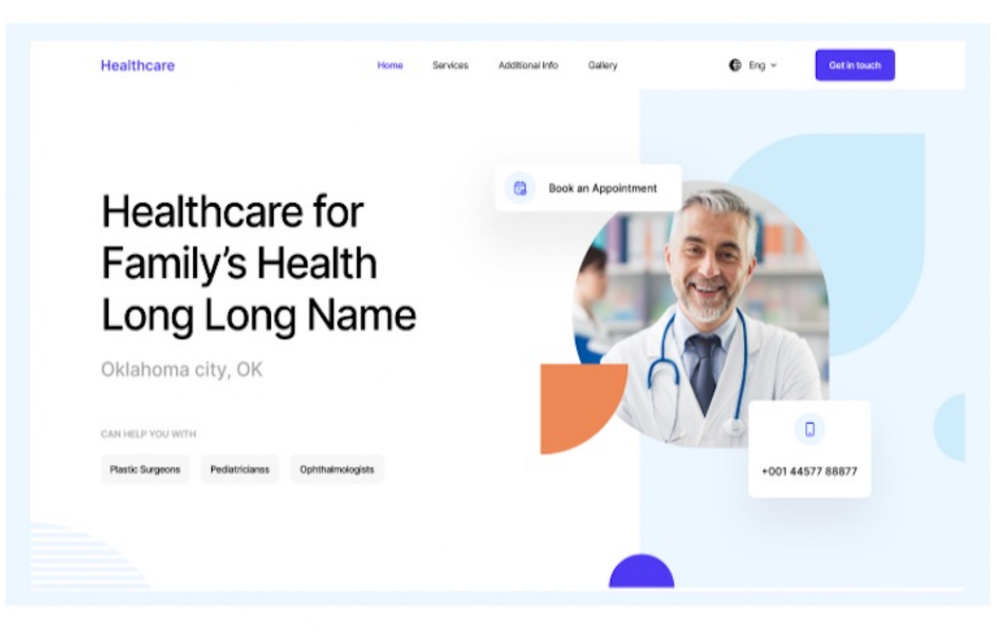

Last step
Design and Publication

Think about whether you want a nice white, minimal and elegant look or something more colorful, then choose one of our **beautiful website templates**. Switch between templates at any time. Then pick a **website address (URL)** by typing the custom name of your choice (e.g. xyz.webfolio.com) or link your own domain name (e.g. www.xyz.com).

Choose your preferred website template and accent color. Switch between templates at anytime.

Modern & Minimalist (view demo)

Fresh & Colorful (view demo)
